

# ReTOOL Program Informational Session

NOVEMBER 16, 2021  
AT 11 AM ON ZOOM

At the University of Central Florida

The Research Training Opportunities for Outstanding Leaders (ReTOOL) Program is hosting a series of informational webinars about its program. ReTOOL is a 15-week cancer research training program for underrepresented minority (URM) students, who will gain hands-on experience working in an active lab at Mayo Clinic in Florida. This session will go over the program as well as application requirements.

ReTOOL Program highlights include a didactic orientation; Weekly Seminars; Service Learning; a Research Showcase; opportunities to submit abstracts for publication; and a stipend. Learn more about ReTOOL here: <https://mayocl.in/2Z3TS1X>

University of Central Florida ReTOOL Webinar:

Tuesday, November 16<sup>th</sup>

11:00 AM to 12:00 PM
