College of Engineering and
Computer Science Alumni

Spring 2022 Virtual Career Kickoff

Friday, January 28 || 10 a.m. - 3 p.m.

45 Minute 1- on -1 Sessions with An Alumni Mentor Includes:

Resume Review
Mock Interviews
Q & A Time

Do you want a competitive edge over all your peers who are interviewing for the same internship/job you aspire to obtain? The CECS Alumni Chapter is proud to present you with a virtual opportunity to connect with alumni in the industry to assist you in preparing for your upcoming employment searches. Sign up for one of five time slots available, each offering 45-minute sessions to have your resume reviewed, practice for future interviews, learn from alumni industry experiences and talk one-on-one about life after graduation.

We hope to create student experiences that instill the mindset, habits, and behaviors necessary to succeed in today's marketplace.
